Exhibitor Terms and Conditions Surface 2010

Surface 2010, Tuesday, 12 October to Thursday, 14 October 2010 Brabanthallen 's-Hertogenbosch

The terms for participation in Surface 2010 (further to be named: the exhibition) are determined in these exhibitor terms and conditions, as well as in the General Terms and Conditions for participation in, by or in cooperation with Libéma Exhibitions B.V. organised trade shows, exhibitions and events (further to be named: General Terms and Conditions).

Organisation

The Exhibition is organised by Libema Exhibitions B.V. (referred to later as: the organisers), in collaboration with VOM, the Organisation for Surface Technology of Materials. The organisers will regularly be consulting with an advisory committee, consisting of representatives of industry organisations, suppliers and think tanks. Our mail address is:

Libema Exhibitions B.V.,
Postbox 403, 5201 AK 's-Hertogenbosch The Netherlands
Tel: +31 73 629 39 39
Fax: +31 73 629 32 77
E-mail: info@surfacevakbeurs.nl

By signing the registration documents, the exhibitor agrees to cooperate in case Libema Exhibitions BV decides to hand over the organisation to one of its allied organisations and/or to a co-organiser of the Surface Exhibition.

Location and time

The exhibition will be held in the Brabanthallen 's-Hertogenbosch from Tuesday, 12 October – Thursday, 14 October 2010.

Aim of the exhibition

The Surface 2010 Exhibition aims to be a collective and promotional showcase for the companies and original end manufacturers of the surface treatment industry. Surface 2010 aims to offer its visitors a complete overview of the surface treatment possibilities and the techniques, equipment, plant, tools and raw materials it uses. The lay-out of the workplace will also be a point of attention.

Visitors

The Surface 2010 Exhibition is aimed exclusively at trade visitors; managers and end users of contract manufacturers and other companies actively dealing with surface treatment, advisors and technical managers, industrial engineers, R&D engineers, product developers, managers, buyers and production managers of OEMs (Original End Manufacturers) from industries as diverse as building, infrastructure, automotive, electronics, medical, timber, synthetics and shipbuilding.

Products and services

The Exhibition is exclusively to be used to showcase, respectively represent, products and services, which, according to the organisers, correspond with the aim of the fair and are a part of one or more of the following products: plant, equipment and/or services for surface treatment of steel, stainless steel, aluminium, zinc, titanium, ceramics, synthetics, glass, timber, concrete etc. This technology is used for (ultrasonic) cleaning, pre-treatment and post-treatment such as blast cleaning, gritting, degreasing, smoothing, stripping, polishing, shining, staining and drying, for preserving such as thermal zincing, coating, powder coating, thermal spraying, galvanising, anodic treating, corrosion prevention and hardening, for decorative applications such as metallising, bronze-plating, coppering, coating, painting, wet painting, staining, polishing, chromium-plating, chromating, gilding, nickel-plating, silver-plating, tin-plating, shining and brass-plating, for industrial applications such as cladding, aluminium spraying, electroforming, enamelling, etching, powder coating, evaporation techniques, galvanising, Teflon plating and for mechanical treatments such as grinding, etching, laser, barrel polishing and enamelling.

Specific tools and workplace lay-out such as products for assembling and packing, feeding, pumping, personal safety equipment, engineering processes and equipment, industrial extraction systems, control and analysis equipment, sewage purification and dredging treatment, air treatment, suspending rack and rail/transport systems and rubbish treatment.

Every year there is the possibility to add products and/or services to the framework of the exhibition. This is to the discretion of the organisers, who also decide upon the amount of stands exhibiting the same technology and/or product.

Not allowed to be exhibited at the Exhibition are those products and services which have been confirmed by a reputable research organisation to be (possibly) dangerous, or defective, shortly after they have been put to use.

Advisory committee

In compliance with the aims of the exhibition, goods and services registered to be exhibited at Surface 2010 described according to 'Entries of the Exhibitor Terms and Conditions' may be assessed by an advisory committee set up by the organisers.

Exhibitors

Exhibiting at the fair is exclusively allowed for:

1. Manufacturers, importers and agents
2. Specialist contract manufacturers and end users
3. Consultants, engineering agencies and research organisations
4. Authorities dealing with surface treatment

Stand hire

The rental rate for stand space referred to in Article 5 of the General Terms and Conditions amounts to:

- € 95,- excl. VAT per sqm,
- € 1.650 excl. VAT for an easy unit of 12 sqm (4 x 3 m), standard stand wall color light-grey, black friese, carpet tiles anthracite. The walls will be placed within the building line of the stand space. An easy unit can be constructed in larger dimensions. The sqm-rate of one extra sqm easy unit (i.e. above the 12 sqm) amounts to € 135 excl. VAT (a spotlight is provided for every 4 sqm and an extra 1 KW electrical outlet for every 12 sqm. Minimum stand size is 12 sqm.

Types of stands

- aisle stand, this means a stand with one rear wall and two side walls
- corner stand, this means a stand with one rear wall and one side wall
- end of row stand, this means a stand with only one rear wall
- island stand, a stand surrounded on all sides by paths, which must have a transparent character for the benefit of the allure of the exhibition
